

Peakirk Parish Council Website Accessibility Statement

Peakirk Parish Council (PPC) wants everyone who uses this website to be able to do so. PPC is committed to making its parts of this website accessible in accordance with the Public Sector Bodies (Websites and Mobile Application) (No. 2) Accessibility Regulations 2018.

Please use the My Computer My Way guide to using assistive technologies. The widget on this site will enable you to listen to content and navigate by headings and links.

This website is partially compliant with the Web Content Accessibility Guidelines version 2.1 AA standard as some parts do not fully conform. Many of our older PDFs and Word documents do not meet accessibility standards as they are not structured to be accessible to a screen reader – we will not be fixing these, but any new PDFs or Word documents we publish will aim to meet accessibility standards. Some documents linked to this site may also not be compliant.

If you need information on this website in a different format please contact the clerk at clerk@peakirk-pc.gov.uk and we will consider your request and get back to you as soon as we can.

The website was tested by self-evaluation and this statement last updated in November 2020. It will be regularly reviewed.
